INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management
Tifton Judicial Circuit Shelter, Inc.
Tifton, Georgia

Opinion

We have audited the accompanying financial statements of Tifton Judicial Circuit Shelter, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tifton Judicial Circuit Shelter, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tifton Judicial Circuit Shelter, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tifton Judicial Circuit Shelter, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tifton Judicial Circuit Shelter, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tifton Judicial Circuit Shelter, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of grant awards expended on pages 17 and 18 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1: DESCRIPTION OF THE ORGANIZATION

Tifton Judicial Circuit Shelter, Inc. (the Organization) provides assistance in the form of crisis intervention, temporary shelter, counseling and advocacy to adults and youth who are the victims of family violence. The Organization operates in the counties comprising the Tifton Judicial Circuit of the State of Georgia, which includes Irwin, Tift, Turner, and Worth counties. The Organization is supported primarily through donor contributions, grants and local support. The Organization's program services consist of the following:

Domestic violence – Services to victims under the Organization's Domestic Violence Program include a 24/7 hotline for immediate advocacy and emergency services. There is a 25-bed shelter and legal advocacy for pursuit of family violence and stalking protective orders. Shelter services include meeting of immediate needs and all supportive services to the point of transition and then outreach services post transition. Other services include education on domestic violence to its communities, outreach activities and events to market its free and confidential services, and a community support group for victims.

Children's advocacy – Services to victims under the Organization's Child Advocacy Program include provision of a forensic interview for suspected child abuse victims, interview of the non-offending caregiver and provision of supportive services for the child and caregiver through the Organization's Family Advocate. The Organization's child advocacy program includes education on child sexual abuse prevention for its communities, education to law enforcement cadets, and facilitation of multi-disciplinary team meetings to address child maltreatment cases. The Child Abuse protocol is also under the purview of the Child Advocacy Center Manager. Education on child abuse and outreach into its communities are also services under the Organization's child advocacy center.

Sexual assault – Services to victims of sexual assault include a 24/7 hotline of immediate response to a call that a victim has presented to Tift Regional Medical Center. A trained advocate is on site at the hospital within 30 minutes of the call. The services provided are advocacy and provision of immediate needs such as clothing, shoes, and personal hygiene items. The sexual assault advocates remain with the victim throughout their emergency room visit and provide service post the initial visit to include mental health therapy, support group, client assistance in a variety of areas. Services also include education and outreach into its service area regarding sexual assault and the free and confidential services provided.

Rapid rehousing – Rapid Re-housing services are for domestic violence victims who need consistent and significant support in transitioning from shelter back into the community. These services provide direct support for rent, utilities, counseling, groceries, job support, and daycare. Clients who are accepted under the program are provided a case manager who provides support over time.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Estimates that are particularly susceptible to change in the near term are related to the contributions of nonfinancial assets and allocation of functional expenses.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

Cash and Cash Equivalents

Cash and cash equivalents include cash and all highly liquid investments with an original maturity of 90 days or less.

Accounts Receivable

Accounts receivable represent amounts owed to the Organization which are expected to be collected within twelve months and are presented in the statements of financial position net of the allowance for credit losses.

Tifton Judicial Circuit Shelter, Inc.
Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allowance for Credit Losses

Management evaluates its receivables on an ongoing basis by analyzing customer relationships and previous payment histories. The allowance for credit losses is management's best estimate of the amount of expected credit losses in the existing accounts based on current market conditions. Historically, losses on uncollectable accounts have been within management's expectations. The allowance for credit losses is reviewed on a periodic basis to ensure there is sufficient reserve to cover any potential credit losses. When receivables are considered uncollectible, they are charged against the allowance for credit losses. Collections on accounts previously written off are included in the change in net assets as received. All accounts receivable at June 30, 2024 and 2023 have been deemed collectible by management and, therefore, no valuation allowance is recorded.

Property and Equipment

All acquisitions of property and equipment in excess of \$500 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance are expensed as incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Net Assets

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Tifton Judicial Circuit Shelter, Inc.
Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Revenues under various contracts are recognized when performance obligations under the terms of the contracts with customers are satisfied. Revenue received in advance is deferred and recognized over the periods to which the dates and fees relate. These amounts are included in performance obligation liabilities within the statements of financial position.

Grants, Contracts and Support

A significant portion of the Organization's grants, contracts and support are from government agencies. The benefits received by the public as a result of the assets transferred are not equivalent to commensurate value received by the government agencies and are therefore not considered exchange transactions. Grants and contracts are analyzed for measurable performance-related barriers or other barriers. Revenue is recognized as barriers are met. Funds received from non-exchange transactions in advance of barriers being met are recorded as refundable advances.

Contributions and Fundraising

Contributions and fundraising are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly removed the conditions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

Donated Assets

Donated investments and other noncash donations are recorded as contributions at their fair values at the date of the donation.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers also provided fundraising services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Tifton Judicial Circuit Shelter, Inc.
Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

Directly identifiable expenses are charged to programs and supporting services. Expenses related to payroll, payroll taxes, and employee benefits are allocated based on actual percentages of time spent in each functional area. Expenses related to maintenance and upkeep of the entire facility are allocated across functional areas based on a fixed percentage.

Advertising

The Organization uses advertising to promote its programs among the audiences it serves. The production costs of advertising are expensed as incurred. During the years ended June 30, 2024 and 2023, advertising costs totaled \$607 and \$1,102, respectively.

Income Taxes

Under section 501(c)(3) of the Internal Revenue Code, the Organization is exempt from taxes on income other than unrelated business income. Unrelated business income results from rent, administration of self-insurance activities, and commissions.

The Organization utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2024 and 2023, the Organization has no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

Reclassifications

Certain reclassifications were made to prior year balances to conform with the current year presentation.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, March 31, 2025, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements

In June 2016, the FASB issued ASU 2016-13, Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, which is often referred to as the CECL model, or current expected credit losses. Among other things, the amendments of this ASU require the measurement of all expected credit losses for financial assets held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. Financial institutions and other organizations will now use forward-looking information to better inform their credit loss estimates. Many of the loss estimation techniques applied today will still be permitted, although the inputs to those techniques will change to reflect the full amount of expected credit losses. In addition, the ASU amends the accounting for credit losses on available-for-sale debt securities and purchased financial assets with credit deterioration.

The Organization adopted ASU 2016-13 on July 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in enhanced disclosures only. Please refer to the accounts receivable policy.

NOTE 3: CONCENTRATIONS

Financial instruments which potentially subject the Organization to concentrations of credit risk include cash and cash equivalents. The Organization maintains deposits with financial institutions which typically exceed federally insured limits as guaranteed by the Federal Deposit Insurance Corporation (FDIC). The Organization has not experienced any losses in such accounts and management believes it is not exposed to significant credit risk with respect to deposits with financial institutions.

The Organization receives substantially all of its grant revenues from the State of Georgia and Federal agencies. Grants are awarded on an annual basis. Substantially all of the Organization's local support is received at the discretion of counties and cities within the Tifton Judicial Circuit of the State of Georgia. The Organization is economically dependent on the continuation of state and federal grants and support from local governments. Revenues from federal and state grants and support from local governments represented 72% and 11% of total revenues, respectively, for the year ended June 30, 2024 and 71% and 13% of total revenues, respectively, for the year ended June 30, 2023.

Tifton Judicial Circuit Shelter, Inc.
Notes to Financial Statements

NOTE 4: LIQUIDITY AND FINANCIAL ASSET AVAILABILITY

The Organization maintains its financial assets primarily in cash and cash equivalents to provide liquidity to ensure funds are available as the Organization's expenditures come due. The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use within one year of the statement of financial position date because of contractual or donor-imposed restrictions.

<i>June 30,</i>	2024	2023

NOTE 8: DEFINED CONTRIBUTION PLAN

The Organization sponsors a defined contribution plan (the Plan) covering all eligible employees meeting certain age, salary and service requirements. The Organization makes a contribution to the Plan each year equal to 3% of all participants' compensation, subject to approval by the Board of Directors. Contributions of \$34,544 and \$33,025 were charged to expense for the years ended June 30, 2024 and 2023, respectively.

NOTE 9: COMMITMENTS AND CONTINGENCIES

Contingencies

The Organization, from time to time, may have asserted and unasserted claims arising in the normal course of operations. The Organization does not expect losses, if any, arising from these asserted and unasserted claims to have a material effect on the financial statements.
